

LINE DANCE MADE EASY

Looking for something fun and social to do? Then come and join our line dance course this January! Line dancing is easy to learn and it is a great way to get some physical exercise, while having fun with fellow line dancers. Learn basic foot patterns and get a taste of a few beginner dances, so you can show your moves in line dance jams.

Join us at the open house on Thursday 7 January 2016 from 7pm to 10pm at a special rate of \$4 per pax.
